

WONDERWARE FEATURE PARASYN SUCCESS STORY

Date Published: 07/03/2007

PARASYN featured as solutions provider success story in Wonderware's global newsletter.

Following the company's achievements in gaining Wonderware's highest degree of accreditation as a solutions integrator and winning a Wonderware Open Hall of Fame award, PARASYN has been further recognised by being featured as the solutions provider 'Success Story' in this quarter's Wonderware global newsletter.

PARASYN Managing Director Tony Poole was exclusively interviewed for the publication and you can read what Tony had to say at:
