

PARASYN ANNUAL DINNER

Date Published: 08/08/2007

“Congratulation to all staff for a very successful final quarter for the 2007”

"Parasyn recently held its 2nd annual dinner. Employees and partners attended the event at the Carindale Hotel and were accompanied by business advisors and friends.

The gathering included a fun presentation by COO David Grealley of where Parasyn came from including the relocations to larger premises as the company has grown and the grandeur of the Melbourne Office.

As the main purpose for the night, Parasyn's CEO Tony Poole presented the companies performance and where the company is positioning itself in the market place. He also congratulated everyone on a very successful final quarter for the 2007 financial year."
