

FUTUREGAS 2009 LOOKING AHEAD

Date Published: 26/03/2008

New for the gas industry, FutureGas 2009 was organised by The Great Southern Press group. It was a unique look at the Gas industry through the eyes of those within it. PARASYN were proud to be one of the exhibitors and sponsors attended to support the event. Free exhibition passes were available for people to attend to browse and network with the great line-up of industry suppliers. There was a selection of expert speakers over the 2 days including PARASYN's Managing Director, Tony Poole. For a full wrap-up of the event be sure to check out the next issue of Gas Today.
